

STATION 1: SIT-DOWN ANCHOR MCU

Medium Close-Up (MCU) | Desk Position

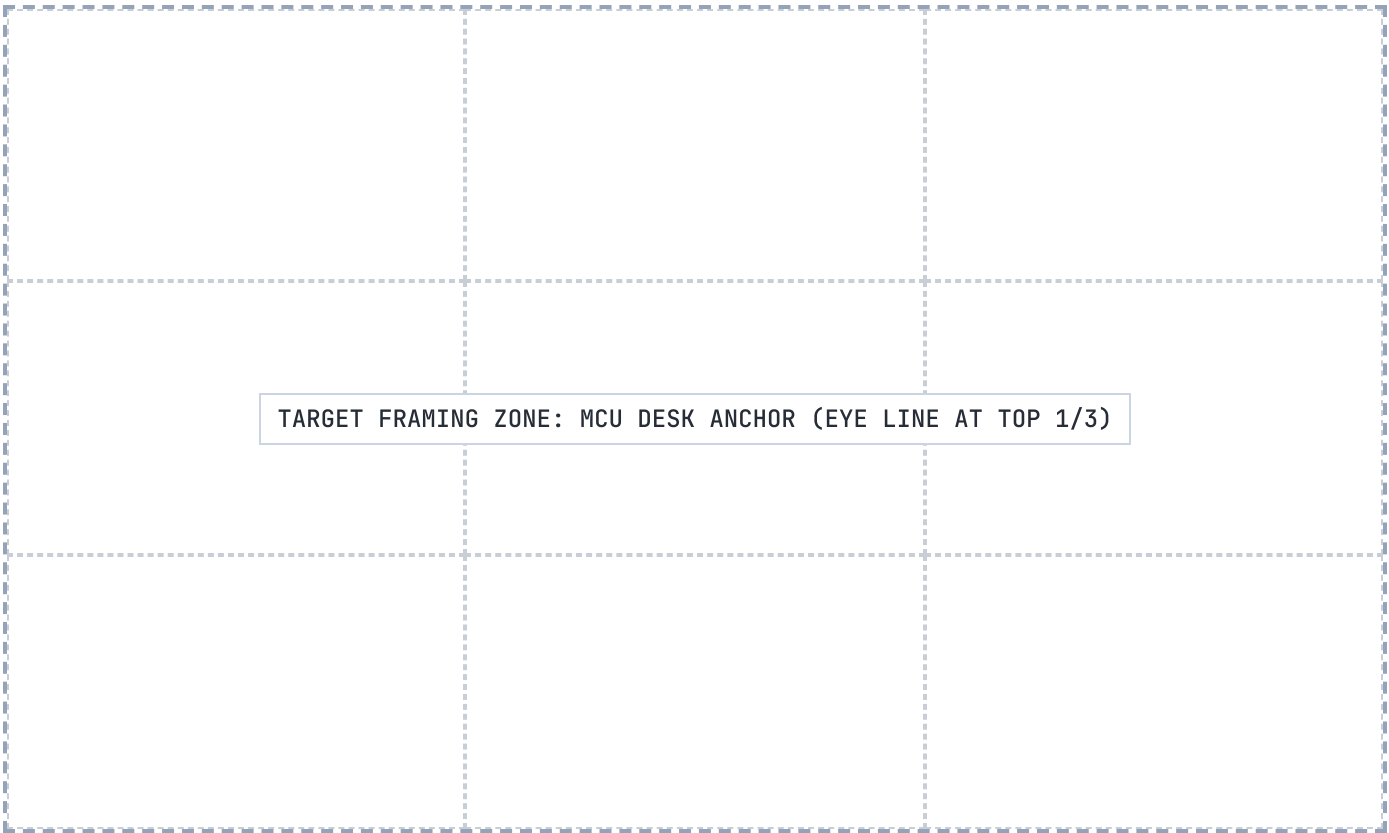

CAM 1
LIVE

COMPOSITION & FRAMING SPECIFICATIONS

- **Framing Limits:** Mid-chest to just above head.
- **Headroom Target:** 1 to 2 inches of top screen space (no cut-off hair, no empty void).
- **Eye-Line:** Upper 1/3 grid line.

VIEWFINDER EXECUTION CHALLENGE

Camera Operator Challenge: Frame your seated anchor in a clean MCU. Align their eyes directly along the upper grid line. Ensure tripods are locked at eye level (do not tilt down from high angles).

DIRECTOR / PEER VERIFICATION CHECK

- | | | |
|--|-------------------------------|---------------------------------|
| • Proper Headroom / Lead Room Established? | ☐ Pass | ☐ Adjust |
| • Focus / Exposure Locked? | ☐ Pass | ☐ Adjust |
| • Tripod Pan / Tilt Locked? | ☐ Pass | ☐ Adjust |

STATION 2: STANDUP REPORTER MS

CAM 2
LIVE

Medium Shot (MS) & Lead Room / Talk Space

COMPOSITION & FRAMING SPECIFICATIONS

- **Framing Limits:** Waist to top of head.
- **Nose Room / Lead Room:** Place reporter on left or right third line. Leave open frame space in the direction they are facing.
- **Stance Check:** Solid broadcast posture, feet shoulder-width apart.

VIEWFINDER EXECUTION CHALLENGE

Camera Operator Challenge: Position reporter on the left third line, facing toward camera-right space. Maintain proper nose room so the framing feels balanced rather than claustrophobic.

TARGET FRAMING ZONE: LEFT THIRD SUBJECT → RIGHT LEAD ROOM

DIRECTOR / PEER VERIFICATION CHECK

- | | | |
|--|-------------------------------|---------------------------------|
| • Proper Headroom / Lead Room Established? | ☐ Pass | ☐ Adjust |
| • Focus / Exposure Locked? | ☐ Pass | ☐ Adjust |
| • Tripod Pan / Tilt Locked? | ☐ Pass | ☐ Adjust |

STATION 3: OVER-THE-SHOULDER (OTS)

OTS Anchor / Graphics Framing

CAM 3
LIVE

COMPOSITION & FRAMING SPECIFICATIONS

- **Foreground Element:** Out-of-focus shoulder/head of co-anchor or interviewer occupying 1/3 of frame.
- **Target Focus:** Sharp focus on main subject occupying remaining 2/3 of frame.
- **Graphics Zone:** Leave upper camera-right zone clear for over-the-shoulder digital graphics.

VIEWFINDER EXECUTION CHALLENGE

Camera Operator Challenge: Establish an OTS composition. Ensure foreground shoulder creates depth without obscuring the main anchor's face or graphic clearance space.

TARGET FRAMING ZONE: FOREGROUND SHOULDER (1/3) + GRAPHIC CLEARANCE

DIRECTOR / PEER VERIFICATION CHECK

- | | | |
|--|-------------------------------|---------------------------------|
| • Proper Headroom / Lead Room Established? | ☐ Pass | ☐ Adjust |
| • Focus / Exposure Locked? | ☐ Pass | ☐ Adjust |
| • Tripod Pan / Tilt Locked? | ☐ Pass | ☐ Adjust |

STATION 4: SHALLOW DEPTH OF FIELD

Manual Focus & Subject Isolation

CAM 4
LIVE

COMPOSITION & FRAMING SPECIFICATIONS

- **Aperture / Zoom Setup:** Zoom in fully to narrow focal plane, adjust manual focus ring.
- **Distance Ratio:** Maximized distance between subject and background set.
- **Focus Target:** Crisp focus on subject's leading eye.

VIEWFINDER EXECUTION CHALLENGE

Camera Operator Challenge: Perform a manual focus pull from a foreground prop to the anchor's face. Verify crisp eye sharpness in the viewfinder.

TARGET FOCUS: CRISP EYE SHARPNESS / BOKEH BACKGROUND

DIRECTOR / PEER VERIFICATION CHECK

- | | | |
|--|-------------------------------|---------------------------------|
| • Proper Headroom / Lead Room Established? | ☐ Pass | ☐ Adjust |
| • Focus / Exposure Locked? | ☐ Pass | ☐ Adjust |
| • Tripod Pan / Tilt Locked? | ☐ Pass | ☐ Adjust |

STATION 5: LOWER-THIRD SAFE ZONE

CAM 5
LIVE

Title Safe & Action Safe Framing

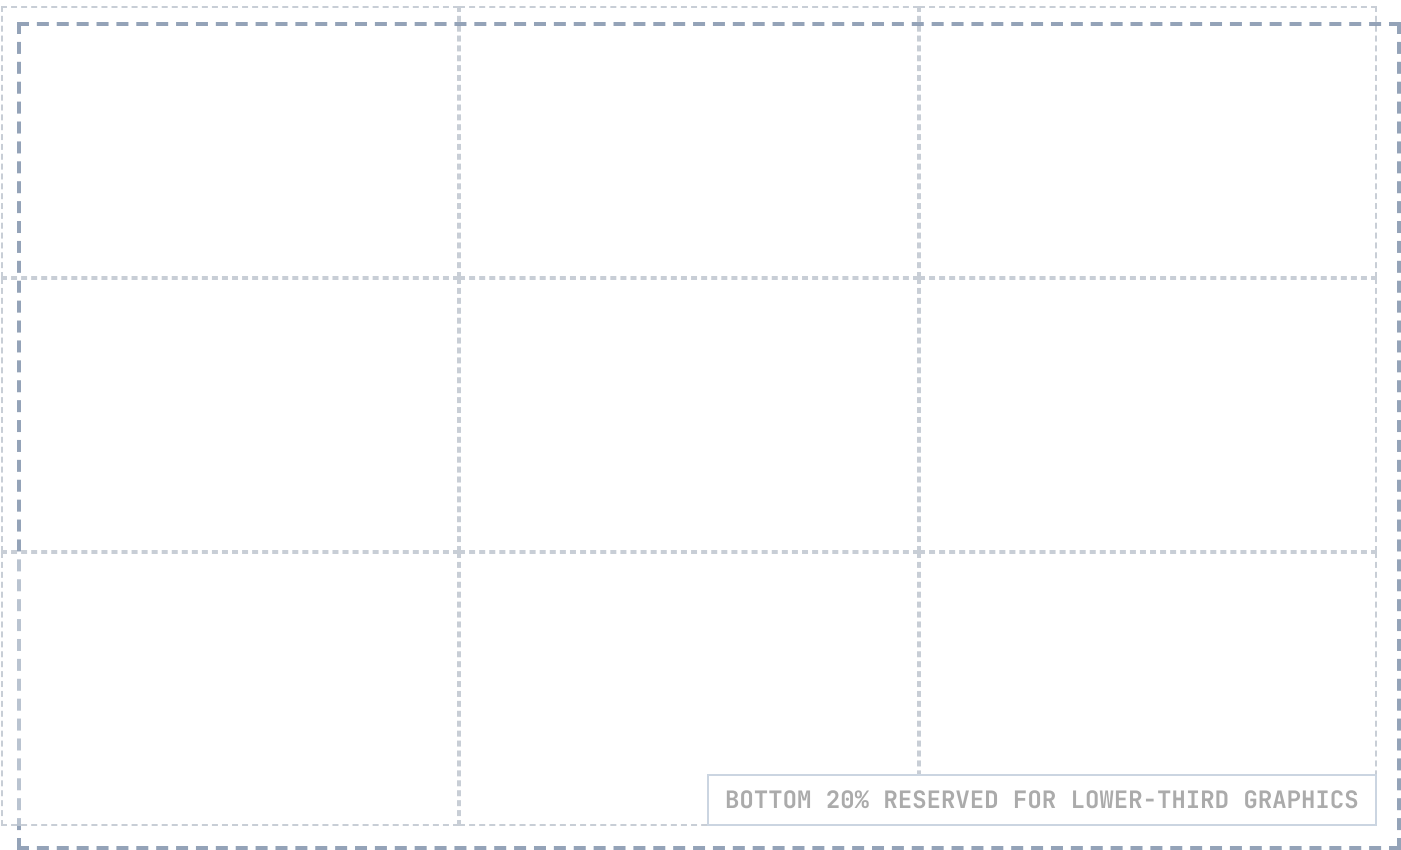

COMPOSITION & FRAMING SPECIFICATIONS

- **Title Safe Margin:** Keep vital visual elements 10% inside frame edges.
- **Lower Third Area:** Bottom 20% of screen reserved for name key / graphic overlay.
- **Framing Rule:** Do not cut off anchor hands or lower chin awkwardly above graphic bar.

VIEWFINDER EXECUTION CHALLENGE

Camera Operator Challenge: Set up a live news standup shot while accounting for a lower-third banner overlay. Ensure no lower-third text will obscure the anchor's face or mic.

BOTTOM 20% RESERVED FOR LOWER-THIRD GRAPHICS

DIRECTOR / PEER VERIFICATION CHECK

- | | | |
|--|-------------------------------|---------------------------------|
| • Proper Headroom / Lead Room Established? | ☐ Pass | ☐ Adjust |
| • Focus / Exposure Locked? | ☐ Pass | ☐ Adjust |
| • Tripod Pan / Tilt Locked? | ☐ Pass | ☐ Adjust |
